Welcome to our Q2 Newsletter

We're excited with the feedback from the launch of our inaugural Newsletter in January and would like to say thank you to our readers.

It's been a very busy start to the year, we've worked on a number of large projects for...

NHS, American Embassy, PWC, The Royal Society & more.

Plus! We' re expanding, recruiting for experienced professionals and plans to extend our fleet.

Enjoy!

Ian Wilford
Managing Director

Spotlight on NHS

Sheppey Community Hospital: Minster Ward Refurbishment

DWe Ltd are proud to support the local community by being a part of a regeneration project for the new Sheppey Frailty Unit.

Our experienced team of engineers refurbished the following:

- Supplied and installed air conditioning
- Painted the walls, ceilings and kitchen
- New flooring throughout
- Modernised a number of bathrooms.
